To Whom It May Concern:

We have had the opportunity to work with Olympia Structures and Farshad Charmforoosh on a number of Projects most notable The Paza mixed-use office and retail complex in Orlando, Florida.

We found Olympia and Farshad to be invaluable members of our team. Farshad has the unique ability to look at an enormous amount of information and in relatively little time recognize the main issues at hand. He has a keen eye for detail and big picture at the same time. Farshad was instrumental in identifying and successfully eliminating over \$4 Million in Change Order Requests. His focus on serving the client and unrelenting work ethic is commendable.

We would gladly work with Olympia should we there be an opportunity.

Sincerely,

KUHNS DEVELOPMENT, LLC
